They will be admitted only if spare seats are available in the hall, i.e., after seats are reserved for those who have registered their names and obta ned tickets for the batch. Candidates who do not hold tickets will accordingly have to wait at the entrance to the examination hall from the hour of commencement of the first batch and take their chance of being provided with seats in the first or in any subsequent batch. To avoid all inconveniences and possible disappointment, heads of institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined are particularly requested to call at the office on the day and date specified above with all the necessary information as to the number and name of candidates that will attend at the particular batch on the day fixed for the examination and obtain tickets of admission accordingly. *No tickets can on any account be sent by post whether to heads of institutions or to private candidates.*

26. Candidates that have each a separate machine and that do not want to be examined in batches are expected to appear for their examination with the third batch for the Lower grade. But this does not preclude them from registering their names for that batch and obtaining tickets accordingly.

27. Candidates for the *Higher grade* may appear for the first or second batch of their option and no tickets *accordingly are issued for this grade.*

28. Instructor's Hall Ticket.—Managers or Instructors of Institutions and other persons who wish to be allowed into the examination hall in the intervals between the examinations of the various batches to inspect the machines and remedy any defects, are requested to call at the office on Tuesday, 21st April 1942, and have their names registered. Tickets of admission specifying their names, the institutions to which they belong, etc., will be issued to them and these should be produced at the entrance to the examination hall.

Candidates appearing from recognized or approved schools should also obtain a similar certificate from the head of the institution concerned.

32. Candidates are requested to note carefully the particulars printed in the nominal roll and satisfy themselves whether they tally with those as given by them in their applications for admission to the examinations, so that any alteration with regard to their initials, name or claim of community or any other correction that may appear necessary might be pointed out by them in writing to the Chief Superintendent.

33. *No candidate will, on any account, be allowed to take into the examination hall slates, books, or portion of a book, ruled sheets, manuscripts or papers of any kind.* Any candidate detected in the violation of the rule or detected in speaking to, or in any way communicating with or copying from each other and in communicating with any other person outside the examination hall or having recourse to any unfair practices will be sent out of the hall forthwith and his conduct reported to the

Commissioner for disciplinary action. The use of mathematical instruments for drawing figures or ruling lines will, however, be allowed.

34. Strict silence should be maintained in the examination hall.

35. Candidates are expected to take their seats in the examination hall at least five minutes before the time fixed for giving out the question papers. No candidate will be allowed to quit the examination hall on any day until the expiration of half an hour from the time fixed for the commencement of the examination and candidates arriving after the expiration of that half-hour will not be admitted.

36. No candidate will be allowed to re-enter the examination hall during the hours of examination after once quitting it, nor to leave the hall without finally giving up his answer papers.

37. Candidates are forbidden to note down the answer to any question on the question paper itself; they will not be allowed to take any papers, except their question papers, out of the examination hall.

38. Candidates are forbidden to tear up paper, or to throw ink or papers on the floor. All 'spoilt' copies, etc., should be left on the desk where the candidate has been writing.

40. No candidate will be allowed to exceed the time assigned to each paper.

41. As soon as candidates have finished writing their answers and wish to give up their answer papers, or at the end of the period prescribed for each particular part of the examination, each should rise from his seat and remain standing until one of the Superintendents has gone up to him and has received his answer paper from him. Any candidate wishing to ask any question of the Superintendent will pursue the same course but will on no account leave his seat.

42. The answer papers should be stitched or pinned together at the upper left-hand corner, and the whole folded into two, lengthwise (not crosswise into four). The register number, the place of examination and also (in the case of the examinations in Shorthand, the particular system adopted) and (in the case of the examinations in Typewriting, the name and Model number of the Typewriter used) should be written out clearly by the candidates on the top right-hand side of the first page of the answer paper, as well as on the top of the paper after it is folded.

[*N.B.*—(1) Candidates are strictly forbidden to write or type their names in the answer papers.

(2) Candidates should distinctly understand that failure to furnish even any one of these particulars may involve the rejection of valuing their answer papers—particularly any answer paper sent up without the hall ticket/registered number—and in such cases will not be valued.]

43. Candidates whose names are not on the printed list furnished to the Chief Superintendent must submit a written declaration through the Chief Superintendent giving full particulars in regard to themselves including their address, and furnish such evidence as may be possible of their having applied for admission to the examinations at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

44. Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

45. *Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examinations or is suspected of having had recourse to malpractice of any kind in connexion with the examination or whose answer papers contain objectionable matter, is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.*

46. Candidates are forbidden to communicate with the Examiners; should they do so, their answer papers will not be valued and further their conduct will be reported to the Commissioner for any action that he may deem fit.

47. No information can be furnished in regard to the results of a candidate in any subject or in regard to the marks obtained by him or in regard to the particular section or subdivision to which he may have failed. The names of successful candidates in each subject arranged in two classes, First and Second, will be published in the *Fort St. George Gazette*. The pass list for each grade of a subject as published in the Gazette is complete and final. Applications from or on behalf of unsuccessful candidates asking for information as to the cause of failure or for a revaluation of the answer papers will not be attended to. DEVELOPMENT DEPARTMENT.

Commission agents and war risks insurance.

Fort St. George, March 27, 1942.

The following Press Note of the Government of India is republished :—

DEPARTMENT OF COMMERCE.

WAR RISKS INSURANCE.

New Delhi, the 18th March 1942.

Can commission agents insure goods.

It has been brought to the notice of the Government of India that there is some misapprehension in commercial circles as to whether commission agents and others carrying on business in British India as sellers of goods can insure goods situated in British India which are in their possession for the purpose of their business, in cases where the actual owners are not persons carrying on business in British India.

The position is that in such cases if the commission agents are for the time being entitled to sell the goods as agents, then they are deemed to be the "owners" of the goods for the purposes of the War Risks (Goods) Insurance Ordinance and are not only entitled but obliged to insure the goods.

T. SIVASANKAR,
Deputy Secretary to Government.

PUBLIC DEPARTMENT.

(General.)

Publisher of the Malayalam newspaper "Mathrubhumi" required to furnish security.

Fort St. George, April 1, 1942
[G.O. Ms. No. 1079, Public (General)].

Whereas the issue, dated the 22nd February 1942, of the daily Malayalam newspaper "Mathrubhumi" published at Calicut contained a prejudicial report ;

And whereas the Provincial Government in exercise of the powers conferred by clause (i) of sub-rule (1) of rule 40 of the Defence of India Rules prohibited the further publication, sale or distribution of the issue of the said daily Malayalam newspaper, dated the 22nd February 1942, and also the publication, sale or distribution of any subsequent issue of the said daily Malayalam newspaper ;

And whereas Sri K. A Damodara Menon, the publisher of the said daily Malayalam newspaper, has requested for permission to continue the publication on furnishing security ;

And whereas the issue of the said daily Malayalam newspaper dated the 22nd February 1942, contained matter which is a prejudicial report within the meaning of clause (bb) of sub-section (1) of section 4 of the Indian Press (Emergency Powers) Act, 1931 (XXIII of 1931) ;

Now, therefore, in exercise of the powers conferred by sub-section (3) of section 7 of the said Act, His Excellency the Governor of Madras is hereby pleased, in cancellation of G. O. Ms No. 942, Public (General) dated the 23rd March 1942, to require the said Sri K. A. Damodara Menon, publisher of the said daily Malayalam newspaper "Mathrubhumi" to deposit with the District Magistrate, Malabar, security for rupees one thousand in money or the equivalent thereof in securities of the Central Government as he chooses, on or before the 11th April 1942.

"Avanthi Press" in Mungandu village, East Godavari district, declared to be forfeited to Government.

Fort St. George, April 2, 1942
[G.O. No. 1100, Public (General)]

Whereas the Provincial Government by an order prohibited the use in the Province of Madras of any press for the printing of any matter contained in any document the bringing of which into British India was prohibited under section 19 of the Sea Customs Act, 1878 ; and

Whereas in contravention of this order the printing press known as the "Avanthi Press" situated in Mungandu village in Razole taluk of the East Godavari district owned by Mahidara Krishna Mohan Rao was used for printing two Telugu books entitled "Coolie Pani—Pettubadi" and "Socialism—Charitrakam—Siddhantam' being translations respectively of the English books "Wage—Labour—Capital" by Karl Marx and "Anti Duhring" by Frederic Engles ;

Now, therefore, in exercise of the powers conferred by sub-rule (3) of rule 41 of the Defence of India Rules, His Excellency the Governor of Madras is hereby pleased to declare the said press and other apparatus used in the making of the said Telugu books to be forfeited to His Majesty.

GOVERNMENT OF INDIA.

LEGISLATIVE ASSEMBLY DEPARTMENT.

The following Bill was introduced in the Legislative Assembly on the 16th March 1942:—

L.A. BILL No 17 OF 1942

A Bill to amend the Agricultural Produce (Grading and Marking) Act, 1937

WHEREAS it is expedient to amend the Agricultural Produce (Grading and Marking) Act, 1937, for the purposes hereinafter appearing; It is hereby enacted as follows:—

1 of 1937.

Short title and commencement.

1. (1) This Act may be called the Agricultural Produce (Grading and Marking) Amendment Act, 1942.

(2) It shall be deemed to have come into force on the 24th day of February 1937.

Amendment of long title and preamble, Act 1 of 1937.

1 of 1937.

2. In the long title and in the preamble of the Agricultural Produce (Grading and Marking) Act, 1937 (hereinafter referred to as the said Act), after the word "agricultural" the words "and other" shall be inserted.

Amendment of section 3, Act I of 1937.

3. In section 3 of the said Act, after the words "not included in the Schedule" the words "or to an article other than an article of agricultural produce" shall be inserted.

STATEMENT OF OBJECTS AND REASONS

Under section 3 of the Agricultural Produce (Grading and Marking) Act, 1937, the Central Government may, after consulting, as it thinks fit, interests likely to be affected, extend the provisions of the Act to any article of "agricultural produce" as defined in section 2 (a). Since 1937, this power has been exercised in relation to fruit products, ghi, oilseeds, vegetable oils, cotton, rice, lac, wheat, and sann-hemp. There is an increasing desire on the part of the trade interests as well as Provincial Governments that the scope of the Act should be extended to several other commodities. The grading of honey, wool, myrobalans, cashewnuts and tallow is already under active consideration. The necessity for the grading of myrobalans and cashewnuts has also been stressed in the latest report of the Indian Trade Commissioner in New York. Some of these commodities are not, or only doubtfully are, embraced by the definition of "agricultural produce" as now given in the Act. It has been held, for example, that the existing definition will not cover myrobalans, essentially a forest produce. Doubts have also been raised about the validity of the application of the Act to lac. It is, therefore, proposed that the scope of the Act should be enlarged so as to render it capable of embracing all commodities to which the application of the Act may be considered desirable. It is also proposed that the Act should be amended with retrospective effect as a measure of precaution, to validate previous declarations, *e.g.*, that relating to lac, made under section 3 of the Act.

61 and 62 Vict. c. xi, IX of 1890.

XXIII of 1934.

STATEMENT OF OBJECTS AND REASONS.

Sections 2 and 3 of the Indian Tolls (Army) Act, 1901, which provides for the exemption from tolls of persons and property belonging to the Army or Air Force, are expressed in terminology which has become out of date and has occasioned some difficulty in interpretation under modern conditions. It is proposed to amend these sections so as to modernise and clarify terminology of this nature and also to extend the definition of "Indian Reserve Forces" so as to bring the recently constituted Air Force Reserves within the scope of the exemption conferred by the Act. The amendments proposed are explained in the notes on clauses which follow.

NEW DELHI
The 13th March 1942. G. V. BEWOOR

NOTES ON CLAUSES.

Clause 1.—The present opportunity has been taken to alter the short title of the Act to indicate the extended scope given to the Act by the amendments made in 1927 by the Repealing and Amending Act, 1927 (X of 1927), and in 1933 by the Indian Air Force Act, 1932 (XIV of 1932).

Clause 2.—In section 2 of the Act as substituted by this Bill,—

Clause (*a*) is new and is intended to remove doubt about the scope of the expression "authorised followers" as used in the Act. The expression "persons who are employed by, or are in the service of" has been borrowed from section 2 (*i*) (*v*) of the Indian Army Act, 1911 (VIII of 1911) and is wide enough to include civilians performing clerical duties, whose eligibility for exemption from tolls has been questioned on a number of occasions;

Clause (*b*) is new. The word "carriage" is nowhere defined in the Act and doubts have been expressed about its scope from time to time, *e.g.*, whether it covers a motor car. The definition reproduces verbatim the definition in the Army Act, section 190 (30A);

Clause (*c*) reproduces the present clause (*a*);

Clause (*d*) reproduces the present clause (*b*), except that reference to air force law has been added at the end to provide for the personnel of the Royal Air Force Volunteer Reserve and the Indian Air Force Volunteer Reserve whom it is now proposed to exempt from the payment of tolls;

Clause (*e*) reproduces present clause (*c*);

Clause (*f*).—The expression "local corps" is now obsolete and most of the bodies referred to in the present clause (*f*) are now defunct,—*e.g.*, the Hyderabad Contingent, Bhopal Battalion and Deoli and Rampura Irregular Corps. The revised definition is intended to include corps raised by the Central Government such as the Malan Bhil Corps, under section 5 of the Indian Army Act, 1911, and the corps raised by the Crown Representative, *e.g.*, the Gilgit Scouts;

Clause (*g*).—The definition in present clause (*d*) covers only reservists subject to the Indian Reserve Forces Act, 1888, and officers holding commissions in the Army in Indian Reserve of Officers. The revised definition includes also officers belonging to the Indian Regular Reserve of Officers—*vide* the proviso to section 2 (2) of the Indian Army Act, 1911—and the recently constituted Royal Air Force Volunteer Reserve and the Indian Air Force Volunteer Reserve, whom it is proposed to exempt from the payment of tolls;

Clause (*h*) reproduces present clause (*e*);

Clause (*i*) reproduces present clause (*g*);

Clause (j) reproduces the present clause (h) except that the reference to the Indian Tariff Act of 1894 has been replaced by a reference to the Indian Tariff Act, 1934.

Clause 4.—Clauses (a) to (h) of section 8 as it now stands contain many archaic expressions which have been replaced by modern equivalents in the revised draft of these clauses, *e.g.*, "corps of volunteers" has been replaced by "Auxiliary Force (India) or the Indian Territorial Force", "Imperial Service Troops" by "Indian State Forces" and "local corps" by "Irregular Corps". Advantage has been taken of the opportunity to omit present clause (d) relating to gunis cutters, who no longer exist, and—

(i) to add the word "master" to clause (c), vide Indian Reserve Force Rule 5A;

(ii) to add the word "carriages" to clause (b), now relettered as clause (g), to exempt explicitly from tolls carriages employed in transporting baggage, etc., and

(iii) to add an explanation of the expression "accompanying".

"(e) for persons practising as nurses, midwives or dais;"

STATEMENT OF OBJECTS AND REASONS.

The purpose of the Bill is to remove certain further defects which have been noticed by the authorities concerned in the working of the Cantonments Act, 1924, since the passing of the Cantonments (Amendment) Act, 1940. The object of each of the proposed amendments is explained in the Notes on Clauses which follow.

G. V. BEWOOR.

NEW DELHI,
The 13th March 1942.

NOTES ON CLAUSES.

Clause (2).—(a) There is no provision in section 17 (1) for filling a vacancy in a multiple member ward where an insufficient number of candidates is forthcoming. All candidates who stand for election must be declared elected but no means is supplied for filling the remaining vacancies.

(b) There is no explicit provision in section 17 (3) enabling the Central Government to nominate a member when an insufficient number of members is elected and there are no outgoing members. The amendment provides for this contingency and certain other possible contingencies.

Clause 3.—Section 20 (3) at present affords no procedure for dealing with an equality of votes at an election of a Vice-President of a Cantonment Board.

Clause 4.—Section 27, as it stands, does not adequately cover the case of persons residing in a place which is declared a cantonment for the first time or in an area subsequently included in a cantonment.

Clause 5.—The disqualifications specified in section 27 (2) at present operate to disqualify for election but do not clearly operate to disqualify for nomination.

Clause 6.—(a) Section 34 (1) (e) does not cover the case where disqualifications which should have debarred a person from election or nomination are only subsequently discovered.

(b) Sub-section (24) was introduced into section 34 to enable the Central Government to remove a nominated military member of a Cantonment Board who had ceased to serve in the cantonment and had left without tendering his resignation. As the whereabouts of such a member are often not ascertainable it is necessary to abolish the requirement that he shall be given an opportunity of showing cause against his removal.

Clause 7.—It has been found in a certain hill cantonment that although the owners of property charge the full annual rent to the tenants and also require the tenants to pay the house tax the owners so-prepare the leases in terms of the season only and subsequently set up a claim to a refund under section 76 which is irrational.

Clause 8.—The object is to exclude service taxes such as conservancy tax and water tax, which are assessed on the annual value of buildings and thus have sometimes been considered to fall within the expression "any tax on property", from the scope of section 90 (3).

Clause 9.—The words "within the cantonment" at the beginning of section 117 fetter the discretion of Government in dealing with applications for expenditure under clause (*f*) of the section such as expenditure on a burial ground outside the cantonment limits. The amendment excludes clause (*f*) from sub-section to the limiting phrase.

Clause 10.—Sub-section (2) of section 230 fails to provide for the incidents of the use of water by Cantonment Boards for public non-domestic purposes from the supply under the control of Military Engineer Services. The amendment provides that section 232 shall apply to the supply of water by agreement to the Board by the Officer for use for non-domestic purposes in like manner as it applies to a supply to the owner, lessee or occupier of a building.

Clause 11.—There is no provision in section 234A to meet the contingency of a Cantonment Board evading an some plea or other entering into an agreement with the Military Engineer Services for a bulk supply of water. The amendment restores the power to compel the Board to accept a bulk supply, with the qualification that this compulsion only operates if and for so long as the Board is unable to provide a supply of its own.

Clause 12.—The Act contains no power enabling Cantonment Boards to provide for the registration and control by means of licences of midwives and dais.

NOTIFICATION.

The following Statement of the reasons which have moved His Excellency the Governor to enact the Madras District Municipalities (Second Amendment) Act, 1942, in exercise of the powers of the Provincial Legislature assumed by him under the Proclamation issued under section 93 of the Government of India Act, 1935, is published for general information :—

STATEMENT.

Under section 120 of the Madras District Municipalities Act, 1920 (Madras Act V of 1920), municipal councils should prepare their budgets for each year before the end of December in the preceding year, and copies of the budgets should be submitted to the Government before a date fixed by them. The Government had originally fixed the 15th January as the last day for the submission of budgets by municipal councils. In practice, only a few councils adhered to this date and it was found difficult in many cases and impossible in some, to issue orders before the commencement of the financial year. The same difficulty was felt in the case of district boards, and the Government recently advanced the date for the submission of the budgets of these boards, from the 15th January to the 15th December. A similar order has been issued in the case of municipal councils, and they have been directed to submit their budgets by the 1st December. But it is not possible to enforce compliance with this direction, as section 120 of the District Municipalities Act specifically permits of municipal

budgets being framed before the end of December. It is therefore considered desirable to omit this provision from section 120, thereby placing municipal councils on the same footing as district boards and enabling the Government to fix a suitable and sufficiently early date for the submission of municipal budgets also. A Bill to amend the District Municipalities Act for this purpose was published for criticism, and no objection or suggestion was received. His Excellency the Governor has enacted the Madras District Municipalities (Second Amendment) Act, 1942.

ഉദ്ദേശകാരണങ്ങളുടെ വിവരണം.

ഇടമാത്രകൊണ്ടു കടക്കാരനുമായി യോജിച്ചു സന്ധി ചെയ്യുന്നതായാൽ ആ സന്ധി ഉടനെതന്നെ ഒങ്ങമ്പടിയുടെ മാതിരിയിൽ എഴുതി, ആ ഉടമ്പടി ചെയ്തു തീയ്യതി മുതൽ ഒപ്പതു ദിവസത്തിനകത്തിൽ 1908 ലെ ഇന്ത്യൻ രജിസ്ട്രേഷൻ ആക്ട്പ്രകാരം രജിസ്റ്റു ചെയ്യണമെന്നും 1936 ലെ മദിരാശി ഋണസാന്ത്വന ആക്ട് (1936 ലെ 11-ാം മദിരാശി ആക്ട്) 14-ാം വകുപ്പു വ്യവസ്ഥ ചെയ്യുന്നു. അപ്രകാരം രജിസ്റ്റുചെയ്യൽ, ആ ഉടമ്പടി ഒരു സിവിൽ കോടതിയുടെ മുമ്പിൽ വിധിയെന്നപോലെ അതിനും പ്രാബല്യമുണ്ടാകുന്നതും അതേപ്രകാരത്തിൽ നടത്തുന്നതിനും ആകുന്നു. ഉടമ്പടി രജിസ്റ്റു ചെയ്യുന്നതു സംബന്ധിച്ചു് രജിസ്റ്റു ചെയ്യുന്ന ഉദ്യോഗസ്ഥൻ ഉപകൈ ഹാജരാകുന്നതിൽ നിന്നു ബോഡിന്റെ ചെയർമനെ ഒഴിവാക്കിട്ടുണ്ടു്. കക്ഷികൾ രജിസ്റ്റർ ചെയ്യുന്ന ഉദ്യോഗസ്ഥന്റെ മുമ്പാകെ ഹാജരാകുന്നതിനുള്ള വേർതിരിവ് ചെയ്കയും, അപ്രകാരം, തുടർന്നാൽ നിശ്ചയിക്കപ്പെട്ട 30 ദിവസത്തെ അവധിക്കുള്ളിൽ മടക്കി രജിസ്റ്റാക്കുവാൻ സാദ്ധ്യമാക്കുകയും ചെയ്യുന്നതാണ് ഈ ബില്ലിന്റെ ഉദ്ദേശം.
